

## Aladdin Sunshine

- > affordable pricing
- > full-color integrated unit with auto focus
- > positive/negative viewing modes
- > one-piece design with easy-to-use controls

The Aladdin Sunshine offers color and auto focus in a one-piece video magnifier. This affordable desktop unit allows you to view photos, work on crafts and read books and magazines with the benefit of automatic focus. The Aladdin Sunshine's magnification range and bright contrast enable you to balance your checkbook, examine prescription bottles, and do crossword puzzles again.

The Aladdin Sunshine's unique one-piece design makes it easy to read comfortably. The monitor and magnifier are one streamlined piece so the monitor is at eye level when placed on a desk. In addition there is no set up—just plug it in and go.

Convenience is at your fingertips:

- > Auto focus with manual override in a one-piece unit
- > 14" full-color monitor
- > Easy-to-use contrast and magnification levers
- > Incorporates the quality you expect from the Aladdin family of products

**Telesensory** > is the leading provider of magnification systems for people with low vision. We have restored independent living to more than 200,000 satisfied customers.

For more information or a free no-obligation demonstration, call **1-800-804-8004**.

## Features > Aladdin Sunshine

Magnification from 4.5X to 35X. Newsprint can be magnified to over 3" high.

No assembly or setup required.

### Easy-to-Use Controls:

- > Size adjustment lever
- > Picture control with three positions
- > Manual override for focus control

**Display** > Full color 14" monitor, 13.3" viewing area

### Multiple Viewing Options for Different Needs:

**Bright Negative Viewing Mode** > uses bright white letters on a low-glare black background for maximum reading comfort.

**Bright Positive Viewing Mode** > offers high-quality contrast for easy viewing of materials with photos and text.

**Full Color Photo Mode** > is a medium contrast setting ideal for viewing photos, illustrations or 3-dimensional objects.

**Reading Table** > a large non-glare, platform for reading oversized books that moves freely in any direction—or locks into place. Adjustable margin stops make it easier to read text in columns.

**Money-back Guarantee** > Telesensory products are backed by a 30 day money-back guarantee (less shipping) and a two year manufacturer's limited warranty against defects in material and workmanship.

**Information and Sales** > Representatives are available Monday through Friday from 7 am to 4 pm PST to answer questions and take your orders.
