Use everywhere you go
Nara Handheld Units are your companions anywhere you go; at home, to the restaurant or to the grocery store.

Both of them come with:

2X-32X magnification – for great magnification
Built-in reading stand – for easy reading
Lightweight design – easy to carry and use
4 hours continous use – for independent reading
Freeze Frame – practical i.e. for recipes
Save images – great for memories
Reading lines – makes reading easier
Near and far viewing – for your convenience
HDMI – connect to external monitor or TV

Nara 5 comes with a 5" screen and a stand that can be flipped out and used as a convenient handle. If you choose Nara 7, you will get a 7" screen with a built in stand.
